CHAPTER 1

On the 20th ¹April around noon, two moving trucks entered ²the Raindrew Street. A new family was moving ³in the suburbs. It was the 4137 house on the street that was welcoming this new family. Upon arriving, a grey car parked just behind the trucks. "Here we are. Our new home," said Brielle with excitement, who was fair, green eyes, black hair ⁴and pink lips and was wearing a pair of jeans and a designer blouse that made her shaped body look attractive. Onna, ⁵their four year old, rushed out of the car with her teddy bear in her hand. "Is this our new home, mommy," said Onna in an angelic sweet voice. "Yes, it is sweetheart," replied Brielle. Taylen, who was a tall, fair, handsome guy and was wearing jeans and a white shirt, emerged from the car and was gazing at the house; it was Brielle who had chosen this house. She fell in love with it just by the sight of it. ⁶It's ⁷yellowed colour walls, the lilies, the white fences and the house itself had an attractiveness that Brielle felt when she first came here. Taylen agreed with her. "Sir, can you park the car in the driveway, so that we can ⁸unload the trucks" said the truck driver. Taylen parked his grey Audi Q7 in his new driveway. Just before entering, Brielle could not stop herself from thinking that a new life was going to start in this new house. It was just a new beginning. The unloading of their stuff started. ⁹The neighbourhood was known for its quietness, the loving and caring ¹⁰neighbours ¹¹and ¹²for the schools. After the two moving trucks hit the road, Taylen and Brielle opened some boxes and were deciding which room will be assigned to what purpose. Their ¹³stuff helped them to decide which types of ¹⁴room they needed. Taylen wanted a study room, which he would ¹⁵turned into an office for himself and Brielle too wanted a room just for

herself, to have some private and alone moments for her. She had called that room loner which made Taylen laughed¹⁶. Brielle was impatient and went to the kitchen, wanted¹⁷ to cook something just to inaugurate the kitchen. But she needed to wait till the evening. They had invited Taylen`s college friend Joey Green and his wife Rose Green. Rose and Brielle became best friend^{18 19} over the year of their husband`s friendship. Two hours before their arrival, Brielle was in the master bedroom and was organising²⁰ their socks in colour²¹ order. Taylen came behind her, moving her hair which felt like silk slowly and²² started kissing her neck. The kiss was arousing, sensuous²³ and²⁴ made her felt²⁵ amazing. As they both started to feel turned on, Taylen whispered "wanna inaugurate our new king size²⁶ bed". A shy and a smirking²⁷ expression could be read on Brielle`s face. Meanwhile, Taylen was already removing her underwear slowly while one finger was caressing her leg while he was removing her panties. Taylen was down and started making his moves. Taylen gradually got up while kissing her whole body and led her to their bed. Brielle laid herself and Taylen slowly came on top of her, kissing her and²⁸ slowly with his hand, he spread Brielle`s leg which made Brielle more into it. They were both naked on the bed and were kissing each other in the missionary position and then slowly Brielle pushed a moan as Taylen entered her. Brielle felt that she was being drag in^{29 30} heaven and enjoyed every second of it. They both enjoyed the nakedness, the love making and³¹ the pleasure that they were both giving and receiving. They were lucky as Onna did not wake up from her nap. They cuddled when both of them had orgasmed. "Do you think that it was a good idea to move here," said Brielle in a sad tone. "We did not have any choice, my job here is better, schools are better and it is safer here" assured Taylen. Brielle hugged him more tightly. They both had a nice nap till they heard the doorbell rang³². Brielle woke up and was shocked when she realised³³ that Joey and Rose were here and they were on time for the first time.

Quickly Brielle dressed herself up with clothes that she found on the floor and ran downstairs. Rose finding Brielle in Taylen`s large, smelly and white shirt, knew what was going on and burst into laughter. "How are you? No need to answer because I can see the answer," chuckled Rose while entering. "Hey, seem you are enjoying the house," said Joey. They all started laughing. "I have not even unboxed our kitchen appliances or even started dinner yet," confessed Brielle. "That`s why we are here³⁴, so that we can help. So don`t worry Brielle," assured Rose. Brielle went upstairs to put some³⁵ clothes and Taylen who was³⁶ already dress³⁶ up, took Joey to the living room as they had a football match that was going to air. Brielle and Rose started preparing diner³⁷ which led them to their usual conversation, gossip and³⁸ small talks. "When are you resuming work, Brielle," asked Rose. "The school has called and am starting on Monday," replied Brielle. "Still going to teach that boring subject, Maths" chuckled Rose. Brielle nodded her head in agreement. Brielle was a mathematics teacher with more than seven years of experience. She was fascinated by numbers and about³⁹ how they could tell things that many people could not understand. She was one of the best mathematicians in her university where she got her first-class degree. She did not continue her studies as she fell in love with Taylen the year after and she always wanted a perfect family. Everyone used to tease her because she did not need a calculator to solve any mathematical problem. As Rose was stirring the tomato sauce which was diffusing a good smell and seemed delicious. But as usual, Rose made a mess in the kitchen, spilled sauce on the stove and the table, disorganised⁴⁰ the system that Brielle made in her spices and⁴¹ used a lot of plates unnecessarily. Being a cleaning and organising⁴² maniac, Brielle could not stand with⁴³ that mess around her. She instantly started to clean. Rose knew how Brielle was and did not say anything as she knew that she had messed up her new kitchen. "Diner`s ready" shouted Rose

from the kitchen. Onna came first and was jumping in all direction⁴⁴. After everyone was settled, "We are serving spaghetti and meatballs, Onna's favourite⁴⁵," said Brielle with a big smile. During diner⁴⁶, Taylen talked about his new case that he would be representing Monday in court. Taylen was a defence⁴ attorney in the firm of⁴⁸ Gold Law Firm Limited. He has just joined this firm last week because his earnings and privileges are better. He was the best attorney that was smart, cunning⁴⁹ and⁵⁰ made relevant and excellent points in court. One of his biggest cases that he was telling during diner⁵¹ was about a girl who was killed by her uncle and charges such as violence and molesting was against him. It was a tough case as the girls⁵² was the mayor's daughter. The evidence that was against the uncle was just a testimony of a man who did not even come to testify in court and Taylen made the uncle win. The father went through depression and even resigned as mayor as he could not hold the fact that he was not going to see his daughter again. According to Taylen, he said that there was someone who framed the uncle and it was the father. But on⁵³ his new case, he needed the help of Joey, who is a family attorney, which⁵⁴ he⁵⁵ agreed to help him. After diner⁵⁶, they went upstairs to the room that will be soon converted into a home office for Taylen. They discussed about⁵⁷ the case and downstairs the women were busy gossiping about their previous neighbours⁵⁸ and friends. "We don't know the neighbours⁵⁹ yet. No one hasn't come⁶⁰ visit yet," said Brielle. Onna went upstairs to play with her DS as she was full and couldn't eat ice cream. Brielle told Rose that the realtor described the neighbourhood⁶¹ was⁶² calm, quiet and⁶³ peaceful to live⁶⁴. "Hey, can we stay over tonight; Joey had quite some drinks tonight and is too tired to drive home" requested Rose. "Ohh yes, we would love to have you guys as our first guest". Taylen and Joey was⁶⁵ still upstairs in the soon to be⁶⁶ office room, discussing about⁶⁷ the case.

"How can we win this case" muttered Taylen. The boy that Taylen represented was accused that he had made some sexual moves ⁶⁸to his foster sister, Sarah Hayden. His name was Diego Martinez. His family was on his side and believed him as much as Taylen did. Sarah in his statement to the police, ⁶⁹she mentioned that he had also attempted to molest her but she successfully managed to push him away and ran. Joey advised him that he need to look into Sarah`s past, her previous foster homes, her friends, her relationship ⁷⁰and her birth parents. Taylen and joey immediately started digging in files and papers. They soon noticed that there was a case that she had reported years ago when she was around eight years old that her foster father at that time had forced her to jerk him off till he orgasmed. It happened more than once. But in that case, Sarah had pleaded guilty and the foster was free of all charges against him. But in reality, Sarah was too young to understand what she was doing and her lawyer was a good friend of the foster father. Joey told Taylen to use this in court and made a point that she is doing all ⁷¹this scenarios so that she can obtain money. "Why would she do this for ⁷²money" said Taylen in a surprising tone. Joey took out a piece of paper that he had found in the file and said "Here`s an application for independent living and Sarah applied for it. If she wins, a certain amount of money will be given to her. She won`t need to work to meet up her expenses for a year at least". After one hour of talks, they both decided to head up to bed. "Is the case that difficult, dear," whispered Brielle in Taylen`s left ear. Taylen who was lying on the bed, turn towards her and said "nope, cause I know how to win this case". In the morning, Brielle woke up to the surprise that Rose had already prepared breakfast. "On the menu; there are ⁷³scramble eggs, bacon, sausages, bread ⁷⁴and baked beans. A typical British ⁷⁵breakfast" said Rose while adding sugar to the orange juice. "Thank you Rose a lot, we still have a lot to unbox, and we need to get to work so that we can finish

early. Making breakfast is ⁷⁶task off the shoulder for today," replied Brielle. Rose proposed to Brielle that she and Joey would be absolutely happy to help them as on Sundays they usually didn't have any plans. Brielle agreed with so much excitement. Taylen did not say anything as he could see how Brielle was happy to have them. After breakfast, Rose and Brielle started with the boxes in the living room compared to Taylen and Joey who were upstairs unboxing. While opening some boxes, Brielle saw her wedding album and made her into tears. She ⁷⁷realised at that moment that she had married the loved of her life who is a perfect husband, had a perfect home, good friends ⁷⁸and an amazing daughter. She was overjoyed thinking about all of this. Brielle felt safe and comfortable with Taylen. Rose saw her in tears and hugged her. She wiped her tears as she heard ⁷⁹Onna footsteps and she came into the living room calling her mother as loud as she could. Brielle and Rose ended up laughing. "Mommy, there is a garden in the backyard and it's left out with no proper care," said Onna. Brielle went to check it out and it is found near the back door ⁸⁰from the kitchen. As she saw the garden, Brielle got the idea of planting some vegetables like carrots, tomatoes ⁸¹and ⁸²some green peas. ⁸³And plus, it will be a fun and educational activity for Onna. "Brielle, Rose ⁸⁴and Onna, do you want some drinks" shouted Joey from the kitchen window. After their good orange juice, it was Brielle's ⁸⁵favourite moment, to clean the house in every corner. As she was a pro in cleaning, anyone wouldn't even dare to miss a spot. But, it was fun for her and everyone agreed. They had finally ⁸⁶unbox everything and helped to tidy up the house.

As it was their first day, meaning a full twenty-four hours according to Brielle, they popped a bottle of champagne to celebrate after hours of cleaning. They had done all remaining task that was left as the following day; they will be both back to work. Monday ^{87,88}were going to be ⁸⁹a charging, the mode for stress would

be on and it would be their first day too. They got to bed early after saying goodbye to Rose and Joey at eight. They were sad that Rose and Joey were gone. But the night was long for the Hills. Brielle woke up around two-fifteen in the middle of the night, with a loud bang that seemed coming from the kitchen downstairs. ⁹⁰ Panic stricken and froze by fear, Brielle tried to wake up Taylen who was lost in another dimension. "What, what, what," shouted Taylen while he was still trying to open his eyes. "I think there's someone inside the house. They are downstairs" explained Brielle. "You sure? I will go and check and go to Onna's room to see if she is doing ⁹¹ okay," whispered Taylen. "Okay, I will be just behind you" replied Brielle with trembling lips. Taylen took out his baseball bat from the closet and Brielle took the lamp ⁹² on their night drawer. "What, I need something to protect me too" whispered Brielle. They both move slowly and tried to make ⁹³ the less ⁹⁴ noise that they could. Brielle could sense a cold and ⁹⁵ fear feeling going through her body. Brielle entered Onna's princess room and checked under her bed and closet and saw no one. Brielle gave a ⁹⁶ sign of relief and ⁹⁷ locking Onna's room and joined Taylen who was slowly descending. Taylen at the end of the ⁹⁸ stairs, tried to get a glimpse of the kitchen by using his phone camera and saw no movement. "Wait, what if it comes behind us" murmured Brielle. "Turn your back and keep an eye from behind and in all ⁹⁹ direction," Shout if you see anyone coming or hit it with your lamp" whispered Taylen while ¹⁰⁰ slowly he was moving ¹⁰¹ slowly towards the kitchen. Taylen saw no one and went to check in the other rooms. ¹⁰² Still there was no one to be found. "Are you sure that there was someone inside the ¹⁰³ house" asked ¹⁰⁴ Taylen. Brielle nodded in agreement. Brielle went upstairs and Taylen went to the kitchen for some water. To his surprise and making his heart ¹⁰⁵ beats over 100, Taylen found that the kitchen door was wide open and his gun a ¹⁰⁶ glock 7 that he had ¹⁰⁷ hid for years, were there on the kitchen table. Taylen face went pale. Without wasting any

time, he grabbed the gun and went to the garage, ¹⁰⁸opened his secret safe behind his ¹⁰⁹tool box. Then, he went outside the ¹¹⁰kitchen`s door and saw no one. "Honey, what are you doing outside?" said Brielle ¹¹¹form the ¹¹²kitchen`s door. "Nothing, just checking" answered Taylen. He came inside and ¹¹³locking the door ¹¹⁴behind. Taylen did not mention ¹¹⁵about the door and the gun to Brielle as she did not even know that there was a gun in the house. Brielle had a fear of guns and telling her about the door would make her worried more as they would have a long day in the morning. "Let`s go to bed, ¹¹⁶honey" said Taylen. Taylen in bed remembered that he had locked the door when Rose and Joey departed from their house. Taylen found it difficult to regain his sleep as he kept ¹¹⁷of thinking that someone who knew him was ¹¹⁸into the house, but who was it, the question that he kept on asking himself.

In the morning, Taylen was already up, already prepared ¹¹⁹lunched and breakfast. He had time to go through his case to check whether he had missed some points and went through all his things to check whether something was missing. "Are you looking for something, ¹²⁰honey" asked Brielle while kissing him on his cheeks. "Yes, my keys and honey, I already prepared lunch and breakfast" replied Taylen while going through the drawers. "Your keys are on your desk upstairs and let me get it for ¹²¹you" said Brielle. Brielle handed him the keys and Taylen kissed him goodbye. While watching Taylen getting in his car and driving away, Brielle made a little glimpse of their ¹²²neighbours. They had not met any ¹²³neighbours yet and wanted to know them. Onna was up and was calling for her mother. After they ate breakfast and finished dressing up, they got into their Honda ¹²⁴vetzel and drive to school. It was their first day in school and both of them were excited. Brielle and Onna had the same charming and friendly smile, which had always helped them to make ¹²⁵them new friends and acquaintances. Arriving ¹²⁶infront of the school, Brielle could feel that it was the

beginning of something new. Saint George School had accepted them and Onna was going to join their kindergarten section and Brielle in the middle school one. The school building was old, ¹²⁷a ¹²⁸lot ¹²⁹trees ¹²⁹and full of students of any age. The vibration and energy ¹³⁰was different from the previous school ¹³¹that Brielle had worked. After parking the car, they marched towards the office where the principal assistant gave them a warm welcome. The principal welcomed Brielle ¹³²in his office while his assistant took Onna to her class. "Well, we were impressed by your curriculum vitae and I hope that you would bring the same efforts and hard work to our students ¹³³too" said the principal with a sweet oily voice. "Yes sir, you can be assured that I will give my best" replied Brielle. She got the list of classes that she was assigned and was excited to start her teaching. On the other side, Taylen entered his new law firm and had the case of Sarah Hayden in the afternoon. Everyone in the firm was happy to see Taylen and was shaking his hands and saying welcome to him. Taylen had listened to at least hundreds of people telling him welcome since he entered the building. His boss, ¹³⁴Mrs Anna Margin welcomed him too and told him that his win today would be the greatest achievement that the firm had achieved so far. In the afternoon, Taylen was preparing himself before entering the court chamber. ¹³⁵Taylen mind was still processing about the intruder and wanted to know more but his thoughts got cut off when he heard in a cold voice, "well, good luck and I want to see you win" said ¹³⁶Mrs Anna. Her fairness, her long black hair, her grey eyes ¹³⁷and her v-shaped body made Anna attractive that even Taylen sometimes could not resist. Taylen stared at her while she entered the court chamber and he followed after. Once the trial started, Sarah Hayden who was wearing a flower dress, face always looking down ¹³⁸and seemed shy and innocent. Sarah was on the stand and Taylen asked her "Did or did not my client ¹³⁹raped you as you described in your statement miss Hayden" asked Taylen ¹⁴⁰in a vivid tone. "No,

I told the police that he tried to and I managed to push him away and ran" replied Sarah in tears. Later, Taylen made his point about the independent¹⁴¹ living and his previous foster homes. "Are you doing this for the money, like¹⁴² you did to your previous foster father? COME ON, TELL US THE TRUTH" lash out Taylen. "My client pleaded guilty as she did not know what she was doing. She was young my honour"¹⁴³ pleaded her attorney. After two hours of court, debating and arguments, the judge made his decision and found that Diego Martinez was innocent and free of all charges. The evidence provided was not enough to convict him guilty. Sarah burst into tears but she was going to received¹⁴⁴ protection assured the judge. Anna congratulated Taylen and told him that he was better that she^{145 146} had been told. Sarah made her way towards Taylen and said "You may have won today defending demons like him. But one day, you will pay for this. I didn't ask any of this but still it happened and you did not think about the danger he is". Diego saw them talking and rushed towards her like a bull. Sensing it, Taylen instantly turned and gave him a cold look and he stopped. Taylen ignored her and went away with his client. Brielle and Onna returned home after a long and wonderful day. They were both happy with their day and wanted to celebrate it. While getting out of the car, Brielle got a text from Taylen saying; he had won the case and that he would be staying at the firm for the night as they all were going to celebrate and party for his victory. Brielle replied back¹⁴⁷ by saying; Congratulation honey, enjoy your victory but don't drink too much. Take care and Kisses.

CHAPTER 2

Ding Dong, Brielle opened the door and it was the Kamps from the house
infront. ¹⁴⁸ Mrs ¹⁴⁹ Kamps was a ¹⁵⁰ red head ¹⁵¹ housewife, well dressed ¹⁵² and ¹⁵³ presented
herself with a basket of ¹⁵⁴ fresh baked ¹⁵⁵ muffins. ¹⁵⁶ Mr Kamps who was standing next
to her, ¹⁵⁷ good looking guy and tall, shook her hand and muttered the word
"welcome to the ¹⁵⁸ neighbourhood". Brielle offered them to come inside for some
tea, ^{159,160} which they elegantly agree. "My husband is at work. It's his third day away
since he won his ¹⁶¹ case" said Brielle while offering them some cookies. "No
worries. We just wanted to meet you and maybe we can become good friends
than just being ¹⁶² neighbours" said ¹⁶³ Mrs Kamps. "I saw your daughter the other
day, she is adorable" complimented ¹⁶⁴ Mr Kamps. "Thank you. Can you tell me a
bit more about the ¹⁶⁵ neighbourhood, please" replied Brielle. "Sure, I will tell you
and the hot gossips too" laughed ¹⁶⁶ Mrs Kamps. ¹⁶⁷ Mrs Kamp explained to her that
from the left of her house, lived ¹⁶⁸ Mrs Venture who used to be a librarian,
someone who is sweet and is about to turn seventy in one month. From your
right side lived ¹⁶⁹ Mrs Flores who the Kamps did not know much about as she was
a private and personal person. They barely see her outside but she was present
¹⁷⁰ in the ¹⁷¹ neighbourhood ¹⁷² meeting last week. She is not even at home sometimes
and it's only three weeks ¹⁷³ that she ¹⁷⁴ moved in. Brielle sat quietly, sipping her tea
and listening to them. "I was thinking of hosting a party so that ¹⁷⁵ me and my
husband can get to know all the ¹⁷⁶ neighbours and I will send the invitations by
¹⁷⁷ Saturday" said Brielle. "¹⁷⁸ It's seems that it will be a great party and you can
count us in. And if you need any help to plan it, call me and here's my ¹⁷⁹ number"
said ¹⁸⁰ Mrs Kamp while handing her a card. "Before going, can you tell me where I
can ¹⁸¹ found a supermarket?" asked Brielle. "It's just two ¹⁸² block away down the
street addressed Flend" replied ¹⁸³ Mr Kamp. Brielle accompanied them ¹⁸⁴ till the
entrance and ¹⁸⁵ Mrs Kamps kissed her goodbye. In the evening, Taylen was back

from work and Brielle cooked meat loaf¹⁸² for diner¹⁸³ which she served once everyone was settled. "Your meat loaf¹⁸⁴ is different today, more delicious and more juicy¹⁸⁵, honey¹⁸⁶" said Taylen while chewing his food with amazement. "Yes, I added more cinnamon and other spices that made the meat more exquisite" replied Brielle. "Honey, I wanted to ask you that¹⁸⁷ I wanted to have a housewarming party, invite the neighbours¹⁸⁸ to get to know them and Onna too can make new friends. Would that be okay for you and I want to have it next Saturday" asked Brielle, face down and having troubled¹⁸⁹ cutting the small potatoes. Taylen continued to eat and took some minutes before answering. He then replied "Yes, let`s host them a party that they never been". Brielle jumped out of excitement and Onna too. Brielle put some pop songs and started dancing, saying "we are going to have a party" several times. They were joyful and seeing them dancing and jumping, Taylen was happy seeing them¹⁹⁰ content. Taylen gazed at them thinking that they are loving here and his phone vibrated in his pocket. Taylen received a text from a private number saying; It won't last, honey.

Taylen almost dropped his phone while he stared at the text message. Attached to it, there was a picture of Brielle and Onna having diner¹⁹¹ and one of them dancing. It was taken just a few minutes which Taylen guessed. By the photo, it seems that it¹⁹² was taken from outside through the left window of the dining room. Immediately, Taylen got up, went out and¹⁹³ found no one outside. Back inside, he closed all windows, curtains and¹⁹⁴ doors. "What happened, honey? Why you¹⁹⁵ closing all windows and doors, it`s still seven o`clock" Said Brielle. "Just to be safe, we still don`t know what happened last Sunday" replied Taylen. He joined them in their celebration, hugged them tight and¹⁹⁶ slow-danced with them. They later decided to watch a movie. They had to watched¹⁹⁷ an animated movie due to Onna but they did it enjoy¹⁹⁸ the whole picture till they

went to sleep. In the morning, Brielle was already up and on her computer.

"What are you doing, honey"¹⁹⁹ asked Taylen. "I am designing our invitation cards for the guest"²⁰⁰ said Brielle while choosing the colour²⁰¹ of the card. "After school, I am taking Onna for a shopping afternoon and I know that you have a case to prep so I know you won't be able to"²⁰² said Brielle. Taylen kissed her and muttered²⁰³ "Yes, honey. Enjoy your afternoon". Brielle was still thinking on²⁰⁴ what to write on the invitation cards and still could not get any idea. When²⁰⁵ after some minutes, something struck her. Then, she designed a beautiful beige card.

Dear Neighbours,

We, The Hills are inviting you to our housewarming party that²⁰⁶ will be held on the 4th May²⁰⁷ at 15:00. I hope that me²⁰⁸ and my husband, Taylen will be honoured²⁰⁹ with²¹⁰ your presence.

Sincerely,

Brielle Hills

After 8 hours of school, Brielle took Onna to the mall where she bought matching dresses, red²¹¹ wine and went to the supermarket to buy snacks, cold

drinks ²¹² and some local music that may be pleasant and more comfortable for the guest. After their shopping, they both stopped at the KFC restaurant where Onna could not resist a rounder burger as ^{213,214} smells of the fried chicken was triggering them. They both even went on a second round of the burger. Brielle and Onna had enjoyed their meal as they were too full to continue their shopping. "Wait ²¹⁵ mommy, I can't move am too full" chuckled Onna while trying to stand. Brielle could not stop ²¹⁶ from laughing, handing her hand to help her to stand up properly. They went to a studio, where Brielle would print out her ²¹⁷ cards ²¹⁸ that she has worked in the morning. "How do you find the ² neighbourhood ²²⁰ till now" asked a tall man with a huge beard to Brielle. Brielle gave him an intense look but replied "It's quite nice, quiet and peaceful ²²¹ especially the Sundays. But just there was a small incident once", while she handed him the pen drive which contained the card design. "If you don't mind, can I ask what kind of ²²² incident" asked the studio keeper in a shocked ²²³ tone. "The second day, we think that someone had broken into our house but didn't neither steal anything nor try to harm anyone but I am pretty sure that there was someone inside" narrated Brielle. "Oh god! But how can you be sure that there was someone inside your house then?" asked the keeper. "I saw someone running, it was outside the house while I was going upstairs, I got a glimpse of it through the window" responded Brielle. Brielle could not give more details as she did not see the person properly as it was completely dark outside and needed to check on Onna at that moment. "Take this camera, it can record in ²²⁴ night time, it's small meaning won't be easy to notice it and I will offer you a twenty-five percent ^{225,226} discounts" said the Keeper. "What, you are trying to make a sale? But you won, I will take it" chuckled Brielle while trying to find her wallet. Brielle thought to herself that she did not mention this to Taylen and neither will she mention the camera to him as he was already tensed and ²²⁷ stress about work.

She took her ²²⁸print out cards and the camera, and called Onna who was sitting in a corner of the shop playing with her DS. As soon as Brielle reached home, she installed the cameras. In the box, there were four cameras and a box where all data recorded are stored. She installed one in the kitchen facing the door, one outside of the main entrance door, one in Onna`s room ²²⁹and the last one, in their ²³⁰own bedroom. She thought that it would be difficult to install those cameras. Once the installation was done, Brielle connected all four cameras to her laptop ²³¹in which she clearly could watch everything live at any moment. She hid the data storage box in a place that no one knows.

As it was a Saturday, Brielle thought that everyone would be home. She took her cards ²³²on her desk and decided to go door to door to invite the ²³³neighbours personally rather than leaving the card in their ²³⁴letter box. She thought that it will be a way to meet the ²³⁵neighbours. "Honey, can you watch Onna. I am going to invite the ²³⁶neighbours personally" asked Brielle while she descended the stairs. "Sure, ²³⁷honey" said Taylen, mind ²³⁸totally absorb in the Scrabble game with Onna in the living room. Brielle knocked ²³⁹to the door of the Kamps first, it was ²⁴⁰Mr Kamps who opened the door. "Oh ²⁴¹Mrs Hills, how are you?" asked ²⁴²Mr Kamps. "I am doing great and you?" responded Brielle with a little smile on her face, "I came to invite you and ²⁴³Mrs Kamps to the housewarming party that we will be hosting on the 4th ²⁴⁴May at 15:00". She handed him her card which she was proud ²⁴⁵as for her it was perfect, well designed and beige was her ²⁴⁶favourite colour. ²⁴⁷Mrs Kamps ²⁴⁸who came out of nowhere and took the card instead and replied by saying "of course, we will be there and thank you for your invitation. And don't worry ²⁵⁰for ²⁵¹desert because I will bake two of my famous lemon meringue pie". Brielle, who was delighted by the offer, responded ²⁵²"oh thank you, that would mean a lot to me". After the Kamps, Brielle went to the next neighbour, ²⁵³Mrs ²⁵⁴Venture who lived ²⁵⁵in the left side of the ²⁵⁶Hills house. Brielle

knocked ²⁵⁷to ²⁵⁸Mrs ²⁵⁹Venture well-polished wooden door, which she opened instantly even before Brielle knock a second time. She stood ^{260,261}shock ²⁶²while ²⁶³Mrs Venture said "well, how can I help you". Brielle thought to herself, was she waiting for me? "I am your new ²⁶⁴neighbour from next door and I am inviting you to our housewarming ²⁶⁵party" said Brielle. She handed her, her card but took more than 1 minute to take it. "I am sorry, I forgot to introduce myself. I am ²⁶⁶Mrs Chou Venture and I am so sorry that I will not be able to attend but thank you very much for your invite" responded ²⁶⁷Mrs Venture with a trembling voice. She refused the invitation in a very polite way, thought Brielle, "Oh, no worries ²⁶⁸and I forgot, my name is Brielle Hills and if you can come even at ²⁶⁹last minute you will be most welcome". "I am sorry to ask but is your husband Taylen Hills, the ²⁷⁰lawyer" asked ²⁷¹Mrs Venture, "No it`s okay and yes it`s him" replied Brielle with ²⁷²an enthusiasm as she was talking about her husband. ²⁷³Mrs Venture asked a lot of questions ²⁷⁴to Brielle about Taylen and ²⁷⁵about his work. Question on his salary, which law firm he worked before and is now working, where did he come from, ²⁷⁶which school and college did he attend. Brielle was quite exasperated with her question that she had to force herself to lie. "I need to go ²⁷⁷Mrs Venture as I forgot to turn off the ²⁷⁸stove" said Brielle while she headed out. Brielle could not stop her tour as she would be too busy later, ²⁷⁹she went to Miss Flores`s house. At her door, Brielle took some air in and out, and then knocked. She knocked one more time and no one answered. A second, third, fourth ²⁸⁰and ²⁸¹fifth time, still no one opened the door and it seems that nobody was present. Brielle put her invitation card in her blue, ²⁸²flower painted ²⁸³letter box and left. She continued to some ²⁸⁴neighbours next door and then headed home. At Gold law limited, Taylen invited ²⁸⁵Mrs Anna Margin to the event, "my wife and I are hosting a housewarming ceremony and would be ²⁸⁶honoured to have you and your husband". Anna chuckled and passionately ²⁸⁷said "I am delighted by your

invitation and I will attend. And for your information I am a ^{286,287}divorce woman, so no husband will be present". Taylen smirked and look down, and she added "Why you smiling, don't expect my immoral and deceitful husband of mine, I just need a man like you". Taylen responded in a non-flirty way "then, it will be a pleasure to have you all alone". Anna laugh and left Taylen's office. Anna did not want Taylen to learn that she was rapturous about the invitation. Taylen was glad too that she would come. Brielle was ²⁸⁸preparing a desert that she has learned from her mother, a traditional English trifle for dinner tonight. She was going to serve that ²⁸⁹desert for the party, but ²⁹⁰Mrs ²⁹¹Kamps lemon pie would be ²⁹²masterpiece ²⁹³in the ²⁹⁴perfection party that Brielle wanted. She used ladyfingers, jam, custard which she made from scratch, raspberries ²⁹⁵and bananas and on top she added her final touch, whipping cream. As the party was for the next day, Brielle was another level of cleaning. She would do the floors twice and even thrice, gloss all her silverware ²⁹⁶and ²⁹⁷took out some exquisite champagne that she only reserved for special occasions. "Onna, don't walk, I just rub the floor with polish" snarled Brielle as Onna came downstairs. "I am sorry, mommy" ²⁹⁸apologised Onna, her head down. "Oh no no, I am sorry honey. I ²⁹⁹shouldn't" said Brielle in a sad tone, while taking Onna's hand and ³⁰⁰hugged her. "It's okay mommy, I know that I shouldn't walk as you have been cleaning since ³⁰¹the ³⁰²we were back from ³⁰³school" said Onna in a sweet voice. Taylen was back home and brought a surprise, "well honey, I have something for you". Taylen was smiling as he knew that Brielle would love his gift a lot. Brielle grabbed the box and opened it like an ³⁰⁴eight ³⁰⁵year old girl and screamed as she saw her new white, flowery, elegant ³⁰⁶and beautiful dress. Brielle was beaming and gazed at the dress for more than three minutes. "What are you thinking and why are you scanning the dress like that?" said Taylen while Brielle was examining all sides of the dress closely, "I checked honey, there is no defect on

it if you are looking for one" giggled Taylen. Brielle responded while she went to her room to dispose³⁰⁷ it carefully in a drawer, "no, I am just trying to see which of³⁰⁸ set of jewellery³⁰⁹ will go perfectly with the dress. Thank you honey³¹¹, I love it".

Later, Taylen went upstairs and lay in the bed for a nap, Brielle who was in the kitchen switched on her laptop to verify whether she had received any emails from work that she was expecting concerning on³¹² upcoming exams. On³¹³ her mail inbox, no emails were received, but in her spam box³¹⁴ there was something that she noticed while closing her laptop. There was a mail that was pending since 27th April and Brielle opened it, found³¹⁵ that her antivirus software had written to notify her that someone was trying to de-encrypt her data and that she needed a bigger and more powerful firewall to protect her personal information. Brielle instantly downloaded a new firewall and try to uncover who's³¹⁶ behind it. After one hour of coding and she was not that perfection³¹⁷ at it. But she was successful and it pointed the³¹⁸ location next door and to her greatest surprise, it was Mrs³¹⁹ Venture. It was its IP address that was used. Brielle was perplexed and could not stop thinking why³²⁰ was she trying to hack her computer and more importantly how a sixty- nine old and a librarian knows how to hack. At the moment, Brielle wanted to ring at³²¹ her door and confronted her but she thought a lie would come and would make an unnecessary scene in front of the other neighbours³²².

"We will have a party, we will have a party, and we will have a party" shouted Onna excitedly, jumping in³²³ her parent's king-size bed. "Come here, yes we are going to have a party³²⁴" said Taylen while grabbing her waist and hugged³²⁵ her. Watching Onna and Taylen hugged³²⁶, Brielle joined them and thought that she had the most amazing, loving and³²⁷ caring husband in the world. They were so comfy and felt good. Brielle needed to wake up as she had a lot of work and did not want to be behind her schedule planning. Brielle got up and kiss Taylen on

his neck though she was trying to kiss him on the lips. They both laughed. After refreshing herself, Brielle started to ³²⁸organise all her ingredients, items ³²⁹and ³³⁰decorations, and verified the list more than ten times in case she missed something. She did not book any catering services as she wanted to prepare the food and the aroma of hot, delicious juicy food to be diffuse around the house as her mother always said that food always ³³¹make a home ³³²more homey. As she was marinating all her ingredients, a knock on the door sound vibrated all around the kitchen; "Oh somebody knocks, can you go and check who is it, honey" requested Brielle. As she was ³³³deep frying her chicken wings in hot oil, Taylen replied "yes honey, I will get to it", ³³⁴who was busy installing the silverware, plates, glasses ³³⁵and some flower decorations, as per Brielle`s order. Taylen opened the door and ³³⁶at his great ³³⁷surprise it was Rose and Joey. Both hugged Taylen and Rose ³³⁸said in a very joyful tone "we know that you are overwhelmed, so that`s why we are early to give you a hand. I do know that Brielle has her plan schedule, but I will lay a hand in the work too". Brielle came to the door and hugged Rose excitedly and told them "glad that you are here and thank you that you wanted to help but we are almost done with the work because guess who is on time according to my plan". Everyone burst into laughter. "Good then, what`s smelling so good" replied Joey sniffing in the air like a dog. Watching Joey sniffing like that, everyone laughed. At around 14:30, the first guest was ³³⁹Mrs Anna Margin, Taylen`s boss from ³⁴⁰gold law firm. Brielle opened the door and greeted her. She was wearing a beautiful and formal red dress which was covered with printed gold elephants which made Brielle a little jealous as she was looking dashing in it. "It`s a very nice dress and you look amazing in it, It`s so unique and elegant." complimented Brielle. Anna thanked her while Brielle guided her into the living room and replied "It`s an Indian attire that I had received ³⁴¹as ³⁴²gift from a client". Their conversation got cut as Taylen

said "Oh hi, I am glad that you can come". They offered Anna some champagne and some gourmandise³⁴³ to go with it. Brielle and Rose were busy talking to Anna. "How do you find her"³⁴⁴ asked Taylen to³⁴⁵ Joey while sipping some red wine. "I think that she looks beautiful in that dress, she is a perfect wife and a perfect mother to Onna. But nothing compared to mine" muttered Joey while looking at Brielle Taylen was lost in that direction too. Taylen approached them and grabbed Brielle by her waist and said "what are you ladies talking about", which³⁴⁶ Anna instantly responded with a smile "about our husbands". "I hope that good things are being said about me"³⁴⁷ said Taylen with a smirk on his face. All of³⁴⁸ the three women burst into laughter. Then the Kamps arrived exactly at 15:00 and Taylen opened the door. "Oh Mr³⁴⁹ Hills, glad to finally meet you. Brielle has told us so much about you and we wanted to meet you"³⁵⁰ said Mrs³⁵¹ Kamps while handing, not two but four of her lemon meringue pie. "Oh Mrs³⁵² Kamps, you are finally here and welcome. Oh dear, why did you go into all this trouble"³⁵³ said Brielle on seeing the four pie³⁵⁴ in Taylen's hand. "No, the pleasure was all mine and one of the pie"³⁵⁵ is for you because once you are going to taste my pie, you won't get over it" replied Mrs³⁵⁶ Kamps while taking a glass of champagne that Taylen offered to them.

After all the guest³⁵⁷ that the Hills were expecting all arrived, they did not await someone knocked³⁵⁸ at their door. Brielle opened the door and found Mrs³⁵⁹ Venture, who stammered "I know that I said that i³⁶⁰ won't come but at last³⁶¹ minute, all of my plans got cancel"³⁶². "No worries, you are the most welcome" replied Brielle while hanging Mrs³⁶³ Venture³⁶⁴ coat. Mrs³⁶⁵ Venture marched towards the table, took a plate and³⁶⁶ grabbed some food before Brielle lead her to the living room and³⁶⁷ she had left a mess on the table after serving herself. As she was a guest, Brielle contemplated her silent"³⁶⁸ Taylen graciously offered her some champagne which she was relenting with the offering. Clink, clink, clink, Taylen tapped his glass

with a fork and raised his glass for a toast ³⁶⁹and ³⁷⁰said "dear friends and ³⁷¹neighbours, I welcome you all into our home and we are very ³⁷²honoured to have you all. It's been two weeks that we lived here and we fell more in love with the house and ³⁷³neighbourhood. I hope that friendship will make us become more close to each other and become more than just ³⁷⁴neighbours. Thank you for your presence as it touched our heart and enjoyed the party at the maximum and a big round of applause to my wife who got the idea and ³⁷⁵organised it to the perfection". Brielle was so shy that she hid her face behind her glass of champagne and could not stop ³⁷⁶from smiling. Taylen raised his glass and kissed Brielle who was still hiding. Everyone raised their glass too and took a sip. Everyone was enjoying themselves, the music that Brielle picked energetic and vibrating and it was excellent taste according to ³⁷⁷Mrs Kamps, the food was delicious and juicy, champagne and red wine ³⁷⁸was still flowing in glasses and the dance floor ³⁷⁹was open, which Rose and Joey were warming it for more than thirty minutes. But the festive vibe went low when ³⁸⁰Mrs Venture dropped her glass and her plate which had shattered into pieces. "You pushed me, Taylen" squealed ³⁸¹Mrs Venture twice. Taylen who was twelve feet apart from her and did not move anywhere near ³⁸²Mrs Venture responded, "no, I did not ³⁸³pushed you, ³⁸⁴Mrs Venture and I did not even move from where I am standing". ³⁸⁵Mr Kamps backed Taylen up by saying "Yes ³⁸⁶Mrs Venture, Taylen did not move at all. Oh maybe she is having some episodes again". ³⁸⁷Mrs Venture started crying, "You pushed me, and I almost fell. I don't know what you want from me. I saw you on the 25th ³⁸⁸April in ³⁸⁹backyard, what were you doing there?" hooted ³⁹⁰Mrs Venture. "It's okay ³⁹¹Mrs Venture, I will take you ³⁹²home" said ³⁹³Mrs Kamps. ³⁹⁴Mr Kamps approached Taylen who was unclear about what happened and ³⁹⁵said "I am so sorry about this. You see ³⁹⁶Mrs Venture suffers from dementia and ³⁹⁷have some hallucinations. ³⁹⁸It's rare that she gets those episodes". Brielle approached and said to ³⁹⁹Mr

Kamps "No worries, we understand. But how does she manage all this and she is alone?" "She has a home nurse assistant at night ³⁹⁹ and sometimes, we the ⁴⁰⁰ neighbours ⁴⁰¹ help her with diner, lunch and have some small talks with her" responded ⁴⁰² Mr Kamps. They took her to her home and ⁴⁰³ Mrs Venture was trembling as ⁴⁰⁴ she was terrified ⁴⁰⁵ or something. Taylen grabbed a broom and started cleaning the broken glasses. Rose came downstairs with Onna who had gone to the bathroom; saw everything quiet, ⁴⁰⁶ calm, no one was dancing ⁴⁰⁷ and Taylen with a broom. "What happened? Did someone die? Oh Brielle died while she saw the broken plate. Oh my god was that so shocked to ⁴⁰⁸ her that she died just on seeing that broken ⁴⁰⁹ plate" said Rose in a total panic. Everyone started laughing except Brielle who came out of the ⁴¹⁰ Kitchen and said "I am fine and thanks for worrying". She later smiled ⁴¹¹ to her. "We are going to continue to enjoy ⁴¹² ourselves" said Brielle. Brielle did not mention to anyone about the hacking that ⁴¹³ Mrs Venture tried ⁴¹⁴ to. But later that night after almost everyone was gone, Joey and Rose who had stayed back to help them ⁴¹⁵ cleaned and Brielle confessed to them about the email that she had received. "I found that ⁴¹⁶ Mrs Venture had tried to hack our computer. I don't know why and how she did that, even she was not successful but she tried to." said Brielle. "What! And it's now that you are telling us about that" blurted out Taylen, giving intense look at Brielle. "I am so sorry honey. ⁴¹⁷ I thought, it was stupid till I saw her dropping the plate and glass, just like that intentionally. I don't know if it was ⁴¹⁸ really ⁴¹⁹ intentionally or not but she dropped it and no one pushed or knocked her" said Brielle in a tense voice. "What do you think, is she hiding something because I don't think that she has dementia if that's the name of the disease or virus or something" said Rose. "Okay ladies, we will look into it some other days and let's continue to enjoy our evening" said Joey while pouring more champagne in their classes.
